AUTHORIZATION: I certify that this request has been made voluntarily and that the information given above is accurate to the best of my knowledge. I understand that I may revoke this authorization at any time, except to the extent that the part 2 program or other lawful holder of patient identifying information that is permitted to make the disclosure has already acted in reliance on it. Acting in reliance includes the provision of treatment services in reliance on a valid consent to disclose information to a third-party payer. Revocation must be in writing. Without my express revocation, this consent will automatically expire upon satisfaction of the need for disclosure. Refer to the Notice for Privacy Practices regarding authorized disclosures and your right to revoke your authorization. A legible copy of the Authorization or my signature thereon may be used with the same effectiveness as an original. **OTHER CONDITIONS: This information has been disclosed to you from records whose confidentiality may be protected by Federal Law. Federal regulation (42 CFR, Part 2) prohibits unauthorized disclosure of these records.** A general authorization for the release of medical or other information is not sufficient for this purpose. Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient. I understand my right, pursuant to part 2, section 2.13(d), to request and be provided a list of entities to which my information has been disclosed when I include a general designation on this consent form.

This consent **expires one year from the date below** unless otherwise specified: ________________________________

Please read the following for information regarding release of information.

1. Centennial Peaks Hospital (CPH) will act upon a properly completed request within 7-10 business days. If the chart is in storage, a delay may be encountered. If the request cannot be fulfilled, the requestor will be notified.

2. The minimum necessary for the stated purpose shall be requested.

3. There is a charge for copies to be sent, unless the information is going to a continuing care provider for the purpose of continuing care. Charges for copies of records are regulated by State law (C.C.R. 1011-1, Chapter 2, Part 5.2.3.4), and are as follows: $0.09 per page for the first 200 or fewer pages, $0.12 per page for pages 201+, plus postage.

4. CPH recommends that requests for Attorneys, Insurance Companies, Social Security Disability Offices, and the like come directly from the entity to receive the request. This prevents delays.

5. This authorization is voluntary and may be revoked at any time, except in the event that the request has already been completed by CPH or its designee. Revocation must be in writing as provided for on this form or in letter format (written).

6. Patients 15 years of age and up may seek treatment on their own at this facility, thus, we require authorization. Please see the physician if there is a problem.

7. Those entities receiving health information are informed not to re-disclose confidential health information, however, once a request is completed CPH has no control over how the information is used or disseminated. Confidentiality of alcohol and drug abuse health records is protected by Federal Law. By authorizing this request to release health information, the undersigned releases the above parties from any liability which may result from furnishing the information released or requested.

8. Refer to the Notice for Privacy Practices regarding authorized disclosures.

(If Centennial Peaks Hospital has asked for this authorization, the patient receives a copy of the authorization.)
